## **BON EXPANDS OFFERING OF POPULAR TRADE TOUGH™ WHEELBARROW**

(GIBSONIA, PA, USA) – Bon Tool Co. has expanded its offering of the popular [Trade Tough™ Wheelbarrow](#). This single-wheel barrow first introduced in 2015 is now available in three tire types – Knobby, Ribbed or Flat Free – with either wood or steel handles.

The Trade Tough™ Wheelbarrow with a heavy-gauge seamless steel tray is well named as it is priced at better value price point, but it is manufactured with high-quality, long-lasting design features. The wheelbarrow's preferred and "tough" design features include a reinforced leg brace and a four-bolt nose piece. There are currently six Trade Tough™ Wheelbarrow designs available from Bon.

The Trade Tough™ name represents a durable, lower cost product that is suitable for professional use.

### **About Bon Tool Co:**

Bon Tool Co., a leading manufacturer of construction tools and equipment in the United States, has been manufacturing construction tools for professionals since 1958. More than 6,000 contractor-quality hand tools are currently available.
