UPDATED BON MASTER CATALOG OF CONSTRUCTION TOOLS NOW AVAILABLE

Free to the Trade at www.bontool.com

(GIBSONIA, PA, USA) – Bon’s line of contractor-grade hand tools for the building trades has been reviewed and updated with over 200 new parts which are all included in the company’s updated Master Catalog. The 2022 full line catalog includes over 5,000 items and represents the majority of Bon’s large product offering. It is available free to the trade by making a request online at www.bontool.com, emailing sales@bontool.com or phoning 724-443-7080.

Bon is an industry-leading manufacturer of tools for construction professionals with a large selection of hand tools for masonry, concrete and decorative concrete finishing, concrete restoration, drywall, interior construction, floor covering, asphalt work, roofing and general construction. The Bon Master Catalog provides a comprehensive resource of hand tools for the building trades.

New products of interest for 2022 include a 2-person Vacuum-Assisted Paver Lifter, a walking style model of the Blue Kangaroo Screed, and an expansion of the BonWay™ Decorative Concrete line of tools and materials with new Paint Chip color options for epoxy floor projects and new sealer options, including a Concentrated Penetrating Sealer and a Matte Sealer Additive. In addition new sizes of the Bon’s popular Steel City™ Finish Trowels for concrete and stucco work and Bon’s Keystone Forged™ Trowels for masonry work have been added.

Bon’s complete product line as well as a digital version of the updated Master Catalog can be seen at bontool.com. To view a digital version of the most recent catalog link to [**2022 Master Catalog | FlipBuilder**](#)

From the invention of the Bon Masonry Guides over 60 years ago to the introduction of the first-ever stainless steel Bullet™ Groover and the Keystone Forged™ Masonry Trowels, Bon Tool Co. remains committed to the development and improvement of products for today’s professional contractor.
